

Chicago Style Pizza

The Windy City is famous for the heartiest pizza in the world. You don't eat our pizza with your hands – you'll need a fork and knife. The dough is made gently by hand and formed into our special, deep-dish pizza pie pan. Contrary to some beliefs, Chicago Style Pizza does not have a thick crust.

The ingredients are placed “upside-down” from a traditional pizza. We use 100% mozzarella cheese on the bottom. Then we fill your pie with lots of your favorite toppings. Our special, secret, freshly made homemade sauce goes on the top. Then we smother your pizza with chunks of pear and plum tomatoes and sprinkle on some cheese and spices. Find out what most Chicagoans already know – Windy City Pizza is the best.
